WHEN YOU ARE OLD

When you are old and gray and full of sleep
And nodding by the fire, take down this book,
And slowly read, and dream of the soft look
Your eyes had once, and of their shadows deep;

How many loved your moments of glad grace,
And loved your beauty with love false or true;
But one man loved the pilgrim soul in you,
And loved the sorrows of your changing face;

And bending down beside the glowing bars,
Murmur, a little sadly, how love fled
And paced upon the mountains overhead,
And hid his face amid a crowd of stars.

THE PRESIDENT'S ROUND TABLE

STUDENT COUNCIL

Mr. Robert Jarboe *President*
Mr. Robert Hausman *Vice-President*
Miss Patricia Martin *Secretary*

Mr. Bob Jarboe

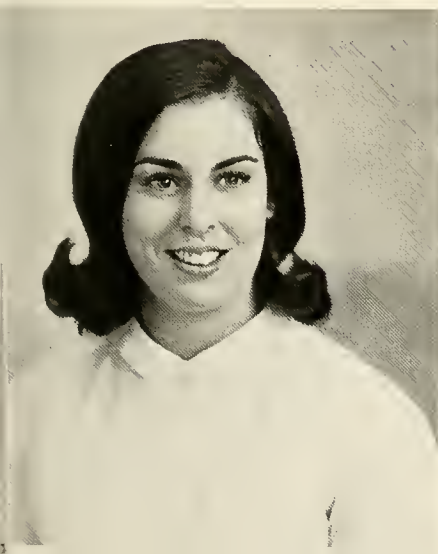

BOB JARBOE . . . has been an excellent Student Body President this year. He has worked hard and has opened many doors toward better understanding between the students and the Administration. Bob has paved the way for the next President to have a smoother road to go. We all want to thank him for his great work this year in making it one of the best years here at Cumberland.

BOB HAUSMAN . . . is the man second in command of the Student Body. Our Vice-President has taken over many times. When Bob Jarboe has been ill or away, he has carried on the good work. I am sure it is hard to be a Vice-President who is always busy and always active in everything. Bob, as well as being Vice-President, is the captain of the tennis team this year. We want to thank him for doing such a fine job in both of his endeavors.

Mr. Bob Hausman

Miss Pat Martin

PAT MARTIN . . . our Secretary is a girl who has to stay on the move to keep up with the men for whom she works. She must be a fast writer to take down everything that is said in all the meetings that have taken place this year. Pat is a hard working girl and she had to do many other things besides writing and attending meetings. She was the girl behind the scenes many times, she never grumbled, but carried on as a true Secretary of the Student Body. We thank you Pat, for being our girl behind the scenes.

BASEBALL 1967-68

With a record of 14—6, the 67-68 Baseball Bulldogs finished on a tie for first place, ending one of the most exciting seasons in Bulldog history.

Behind the no-hit, shutout pitching of Wayne Yancey and Steve Garner, Coach Van Washer's team rallied all year. Having a strong bench as well as a good starting nine, the Bulldogs were strong at every position.

Perhaps their greatest asset was in their willingness to never lose faith in their ability, even in defeat. However, the Bulldogs were also a highly versatile team. Every pitcher was able to play at least one other position, and often switching of positions occurred. Coach Washer recalls utility man Bob Jarboe playing five positions in a span of four innings.

Not only a fine pitcher, Steve Garner also led the Bulldogs in hitting with a 387 average. Catcher Emmett Tinsley followed close behind with a 382 average.

The 67-68 Baseball Team certainly gave Cumberland something of which to be proud.

TENNIS 1967-68

Left to Right: Ray Holland, Bob Hausman, Jeff Raines, Wirt L. Piper, John Rogers, and Sammy Hatcher.

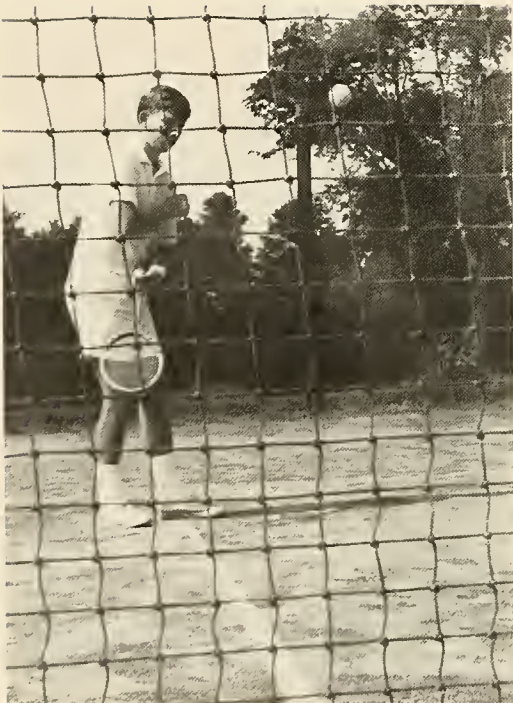

The performance of the 1968 tennis team was one of the finest. We won several matches, thanks to the excellent playing of Bob Hausman, Sammy Hatcher, and Jeff Raines.

Only two of the 1968 team have returned to carry on with the victories. John Rogers and Bob Hausman are back hoping this year to go even farther with the team.

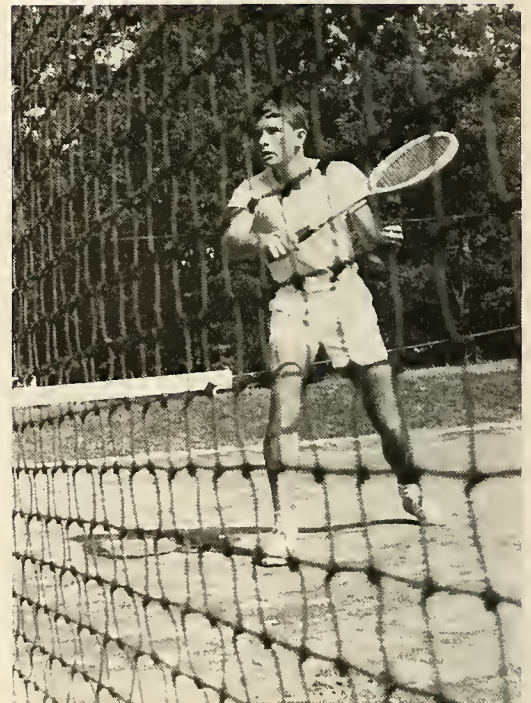

A good backhand always helps.

Nice Return!

Poised and ready.

GOLF 1967-68

Left to Right: Richard Harris, Greg Billings, Richard Binkley, and Billy Sullivan. Absent: Mike Lenox.

The performance of the 1968 golf team was outstanding throughout the golf season. Paced by the sharp shooting of Richard Harris, Richard Binkley, Mike Lenox, Greg Billings, and Billy Sullivan, the Bulldogs came through with flying colors. The 1968 year proved to be a successful one for the whole golf team, and the pride displayed by the student body and the faculty helped contribute to the success of the team.

AND THUS
THE PIECES
OF ANOTHER
YEAR
FALL INTO
PLACE

It was a year of Action, Interest,
and Aspiration. This was our year 1969.
By capturing the superficial and the profound,
this book has preserved a year at Cumberland
filled with activity, study, and satisfaction.

On page after page we find those
moments we remember intensified and
those we had forgotten recalled. We recognize
the people that made Cumberland what it
was, a place of delight and a place of
repatriation. We are reminded of the winning
the losing, the elation, the depression,
the study and the recreation. All of
this and more is engraved upon our
memory.

This yearbook has caught a part of
our life and saved it for the nostalgic
hours of looking back. It has set up
a guide for the piecing together of
all the parts that made this year
complete.

TALENT, BEAUTY, HONOR, and ABILITY are just a few of the things that go into making up Cumberland. Many times we gripe, but I believe, all in all, we are all glad we chose Cumberland as our school.

EDITOR'S PAGE

I hope this, the 1969 Phoenix, will mean as much to you as it does to me and all the people who helped in creating this edition of the Phoenix. We tried to put a little of everything that happened this year into this book, to make it a solid memory of your year here at Cumberland. We, the Phoenix staff, hope you will treasure this yearbook as you would a friend.

I want to sincerely thank everyone who has helped make this yearbook possible. There are many and it would take several pages to list them all by name, but to a few I would like to give special thanks.

To Dr. Stockton, Mrs. McDonald, Mr. Dick Richardson, Mr. Barrett of Seat's Studio, and to the businesses of Lebanon and the surrounding areas, I would like to say thank you for your assistance in producing this book.

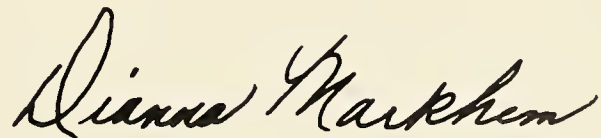

Pat Martin, our Business Manager, who out-did all previous records of sales, thank you. Without your well-done job this book would not have been sent to press.

My gratitude goes to my Assistant Editor, Marsha Aldridge, who, without her drive and determination I doubt we could have made it this far.

A double thanks goes to our photographers, John Binkley and David Smith. Without you two there would have only been words.

To the Board of Publication, I sincerely give my thanks, for giving me the opportunity to be the editor of the 1969 Phoenix.

I have a mixture of feelings now as the year closes. I have a happiness because I know we did the best we knew how in putting this book together, but a sadness because my job is done. My best wishes go to the new editor of the Phoenix, who, I know will do the best job she knows how in producing the 1970 edition of the Phoenix.

A handwritten signature in cursive script that reads "Diana Markhem". The signature is written in black ink and is positioned in the lower right quadrant of the page.

Behold this and always love it! It is very sacred, and
you must treat it as such . . .
